Hi Lorena,

Anything is possible. I know that it is VERY difficult to move those Kiosks and are folks had a tough time with them last time (I was there when they did it). Last time our Construction and Maintenance Division needed a lot of lead time to schedule everything (the right truck, a forklift, manpower) so in order to get our construction folks to move the kiosks the request needs to come in early and please keep in mind that every time we move the kiosks they get a little more messed up (banged around, dented and scratched up). I'm assuming that you'd want the kiosks back right after the show which would be 2 requests for C&M?

Thanks,
Augie

Augie,

I was wondering if it would be possible to have two red kiosks moved to the boat show later this month.

Let's talk when you have some time.

Best regards,
